1. Avoid irrelevant inquiries

The first big headache of every yelp advertiser is A number of irrelevant leads. By default, yelp targets a very wide audience. As a yelp partner, we can get a list of keywords that your ad is showing and then exclude irrelevant ones. With this simple mechanism, you will get rid of all the job inquiries that you are not interested in. You will save your budget and a lot of time.

Date	Address	Search Query	Ad Impress	Ad Clicks

06/30/2022 - 07/06/2022	Lombard, 60148	exterior house painting	6	0
06/30/2022 - 07/06/2022	Lombard, 60148	house renovation - exclude!	2	1
06/30/2022 - 07/06/2022	Lombard, 60148	painting	2	0

No more mismatched customers!

2. Free yourself from yelp chatting

When you start your yelp campaign another problem immediately arises. How quickly reply to all the inquiries? If you're late 15 mins with the answer the customer is probably gone. We will fix your response time and help you win more leads by:

- ✓ Instant response
- ✓ Gathering basic information and photos
- ✓ Giving preliminary information on your service
- ✓ Sales techniques assuring clients about the high value of your service
- ✓ Contacting you with full information on the project to save your time

3. Stand out with your business profile

We have insights directly from yelp about what business profiles generate more leads than others. We know exactly what paid features will bring you more customers. **Moreover, by working with us you can get a lot of yelp paid features for free!**
